## Explanatory Note

Eyenovia, Inc. (the “Company,” “Eyenovia,” “we,” “us” and “our”) is filing this Amendment No. 1 on Form 10-K/A (this “Form 10-K/A”) to amend the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2023 (the “2023 10-K”), which was originally filed with the Securities and Exchange Commission (the “SEC”) on March 18, 2024, to include the information required by Items 10 through 14 of Part III of the 2023 10-K. This information was previously omitted from the 2023 10-K in reliance on General Instruction G(3) to Form 10-K, which permits the information in the above referenced items to be incorporated in the Form 10-K by reference from the Company’s definitive proxy statement if such statement is filed no later than 120 days after the Company’s fiscal year-end. This Form 10-K/A amends and restates in its entirety Items 10, 11, 12, 13 and 14 of Part III of the 2023 10-K. The cover page of the 2023 10-K is also amended to (i) update the number of outstanding shares of common stock as of April 16, 2024, and (ii) delete the reference to the incorporation by reference of the Company’s definitive proxy statement.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), this Form 10-K/A amends Item 15 of Part IV of the 2023 10-K solely to update the exhibit list to include new certifications by our principal executive officer and principal financial officer under Section 302 of the Sarbanes-Oxley Act of 2002. Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of these certifications have been omitted. Similarly, because no financial statements have been included in this Form 10-K/A, certifications pursuant to Section 906 of the Sarbanes-Oxley Act of 2002 have been omitted.

Except as described above, no other changes have been made to the 2023 10-K, and this Form 10-K/A does not modify, amend or update in any way any of the financial or other information contained in the 2023 10-K. This Form 10-K/A does not reflect events occurring after the date of the filing of the 2023 10-K, nor does it amend, modify or otherwise update any other information in the 2023 10-K. Accordingly, this Form 10-K/A should be read in conjunction with the 2023 10-K and with the Company’s filings with the SEC subsequent to the filing of the 2023 10-K.

## Item 11. Executive Compensation.

This Item 11 discusses material components of our executive compensation program for the following individuals, each of whom is one of our “named executive officers” for 2023: Michael Rowe (our Chief Executive Officer), John P. Gandolfo (our Chief Financial Officer) and Bren Kern (our Chief Operating Officer).

We have opted to comply with the executive compensation disclosure rules applicable to “smaller reporting companies”, as such term is defined in the rules promulgated under the Securities Act of 1933, as amended.

### Key Elements of Our Compensation Program for 2023

In 2023, we compensated our named executive officers through a combination of base salary and long-term equity incentives in the form of options. Our named executive officers are also eligible for our standard benefits programs, which include group health insurance and vacation programs.

We do not use specific formulas or weightings in determining the allocation of the various compensation elements. Instead, the compensation for our named executive officers has been designed to provide a combination of fixed and at-risk compensation that is tied to the achievement of our short- and long-term objectives. We believe that this approach achieves the primary objectives of our compensation program.

We are continually evaluating various compensation programs to implement as our business evolves. The disclosures below describe our historical compensation practices.

***Termination of Employment Agreements***

The Rowe Employment Agreement discussed above provides the following upon termination of Mr. Rowe's employment:

*Termination by Company for Cause; by Company without Cause or by Executive without Good Reason within Executive's First Six (6) Months of Employment; or as a Result of Executive's Disability or Death.* If Mr. Rowe's employment is terminated by us for Cause (as defined in the Rowe Employment Agreement), by us without Cause within Mr. Rowe's first six months of employment, by Mr. Rowe without Good Reason (as defined in the Rowe Employment Agreement), or as a result of Mr. Rowe's Disability (as defined in the Rowe Employment Agreement) or death, then we must pay the portion of Mr. Rowe's base salary that has accrued prior to such termination and has not yet been paid, any bonus previously earned by Mr. Rowe but not yet paid, any accrued and unused vacation or sick leave, and the amount of any expenses properly incurred by Mr. Rowe prior to any such termination and not yet reimbursed (collectively, the "Rowe Accrued Obligations") promptly following the effective date of such termination, subject to certain exceptions.

*Termination by Company without Cause or by Executive for Good Reason Following Executive's First Six Months of Employment.* In the event that Mr. Rowe's employment is terminated by us other than for Cause, Disability or death at any time after Mr. Rowe's first six months of employment as CEO, then, in addition to the Rowe Accrued Obligations, Mr. Rowe shall receive the following, subject to certain terms and conditions:

- *Severance Payment.* Payment in an amount equal to Mr. Rowe's base salary for a 12-month period, less customary and required taxes and employment-related deductions, paid in one lump sum amount.
- *Benefits.* health insurance coverage at no cost to Mr. Rowe, until the earlier to occur of 12 months following the termination date or the date Mr. Rowe elects to participate in the group health plan of another employer.

The Gandolfo Employment Agreement discussed above provides that if Mr. Gandolfo's employment is terminated by the Company without "Cause" (as defined in the Company's 2018 Omnibus Stock Incentive Plan (the "2018 Plan")) or Mr. Gandolfo suffers an "Involuntarily Termination" (as defined in the Gandolfo Employment Agreement) provided that Mr. Gandolfo has signed a full release of all claims, Mr. Gandolfo will be entitled to receive: (i) severance pay equal to 12 months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for Mr. Gandolfo and his spouse and dependents for a period of 12 months or until Mr. Gandolfo becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, "Cause" means, with respect to the termination by the Company or a Related Entity of a Grantee's Continuous Service: (i) that such termination is for "Cause" as such term (or word of like import) is expressly defined in a then-effective written employment agreement, consulting agreement, service agreement or other similar agreement between the Grantee and the Company or such Related Entity, provided, however, that with regard to any agreement that defines "Cause" on the occurrence of or in connection with a Corporate Transaction, such definition of "Cause" shall not apply until a Corporate Transaction actually occurs; or (ii) in the absence of such then-effective written agreement and definition, is based on, in the determination of the Administrator: (A) the Grantee's performance of any act, or failure to perform any act, in bad faith and to the detriment of the Company or a Related Entity; (B) the Grantee's dishonesty, intentional misconduct or material breach of any agreement with the Company or a Related Entity; (C) the Grantee's material breach of any noncompetition, confidentiality or similar agreement with the Company or a Related Entity, as determined under such agreement; (D) the Grantee's commission of a crime involving dishonesty, breach of trust, or physical or emotional harm to any person; (E) if the Grantee is an Employee or Consultant, the Grantee's engaging in acts or omissions constituting gross negligence, misconduct or a willful violation of a Company or a Related Entity policy which is or is reasonably expected to be materially injurious to the Company and/or a Related Entity; or (F) if the Grantee is an Employee, the Grantee's failure to follow the reasonable instructions of the Board or such Grantee's direct supervisor, which failure, if curable, is not cured within 10 days after notice to such Grantee or, if cured, recurs within 180 days.

As defined in the Gandolfo Employment Agreement, "Involuntary Termination" means the occurrence of any of the following without the written consent of Mr. Gandolfo: (i) a material diminution in Mr. Gandolfo's Base Salary, Bonus target or benefits (other than a material diminution that is applicable to all similarly situated employees and executives of the Company in connection with an across-the-board cost savings strategy); (ii) a material diminution in Mr. Gandolfo's authority, duties or responsibilities; (iii) a material diminution in the level of Mr. Gandolfo's reporting structure, including a requirement that Mr. Gandolfo report to a corporate officer or employee instead of reporting directly to the CEO; or (iv) any other action or inaction that constitutes a material breach by the Company of the Gandolfo Employment Agreement.

The Kern Employment Agreement discussed above provides the following upon termination of Mr. Kern's employment:

*Termination by Company for Cause; by Company without Cause or by Executive without Good Reason within Executive's First Six Months of Employment; or as a Result of Executive's Disability or Death.* If Mr. Kern's employment is terminated by us for Cause (as defined in the Kern Employment Agreement), by us without Cause within Mr. Kern's first six months of employment, by Mr. Kern without Good Reason (as defined in the Kern Employment Agreement), or as a result of Mr. Kern's Disability (as defined in the Kern Employment Agreement) or death, then we must pay the portion of Mr. Kern's base salary that has accrued prior to such termination and has not yet been paid, any accrued and unused vacation or sick leave, and the amount of any expenses properly incurred by Mr. Kern prior to any such termination and not yet reimbursed (collectively, the "Kern Accrued Obligations") promptly following the effective date of such termination, subject to certain exceptions.

*Termination by Company without Cause or by Executive for Good Reason Following Executive's First Six Months of Employment.* In the event that Mr. Kern's employment is terminated by us other than for Cause, Disability or death or by Mr. Kern for Good Reason at any time after Mr. Kern's first six months of employment as our Chief Operating Officer, then, in addition to the Kern Accrued Obligations, Mr. Kern will receive the following, subject to certain terms and conditions:

- *Severance Payment.* Payment in an amount equal to Mr. Kern's base salary for a 12-month period, less customary and required taxes and employment-related deductions, paid in one lump sum amount.
- *Benefits.* Health insurance coverage at no cost to Mr. Kern, until the earlier to occur of 12 months following the termination date or the date Mr. Kern elects to participate in the group health plan of another employer.

### ***Change in Control Provision of Employment Agreements***

The Rowe Employment Agreement and the Gandolfo Employment Agreement also provide that if within 12 months following any "Corporate Transaction" (as defined in the 2018 Plan) of the Company, the executive's employment is terminated by the Company without Cause or the executive suffers an Involuntary Termination (as defined in the employment agreements), provided that the executive has signed a full release of all claims, the executive will be entitled to receive, in lieu of what is described above: (i) severance pay equal to 12 months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for the executive and his spouse and dependents for a period of 12 months or until the executive becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, a “Corporate Transaction” means any of the following transactions, provided, however, that the Administrator shall determine under parts (iv) and (v) whether multiple transactions are related, and its determination shall be final, binding and conclusive: (i) a merger or consolidation in which the Company is not the surviving entity, except for a transaction the principal purpose of which is to change the state in which the Company is incorporated; (ii) the sale, transfer or other disposition of all or substantially all of the assets of the Company; (iii) the complete liquidation or dissolution of the Company; (iv) any reverse merger or series of related transactions culminating in a reverse merger (including, but not limited to, a tender offer followed by a reverse merger) in which the Company is the surviving entity but (A) the Shares outstanding immediately prior to such merger are converted or exchanged by virtue of the merger into other property, whether in the form of securities, cash or otherwise, or (B) in which securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities are transferred to a person or persons different from those who held such securities immediately prior to such merger or the initial transaction culminating in such merger; or (v) acquisition in a single or series of related transactions by any person or related group of persons (other than the Company or by a Company-sponsored employee benefit plan) of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities.

The Kern Employment Agreement provides that if, within a period of 30 days prior to or 12 months following a Change of Control of the Company, Mr. Kern’s employment is terminated by the Company without Cause or by Mr. Kern for Good Reason, provided that Mr. Kern has signed a separation agreement including a full release of all claims, Mr. Kern will be entitled to receive, in lieu of what is described above: (i) severance pay equal to 12 months of his then-current base salary, and (ii) medical insurance coverage at no cost for a period of 12 months or until Kern elects to participate in the group health plan of another employer, whichever is earlier.

As defined in the Kern Employment Agreement, a “Change of Control” means the occurrence of any of the following events: (i) a merger or consolidation of Company, whether or not approved by the Board, other than a merger or consolidation which would result in the voting securities of Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or the parent of such entity) more than 50% of the total voting power represented by the voting securities of Company or such surviving entity or parent of such entity, as the case may be, outstanding immediately after such merger or consolidation; (ii) the acquisition of more than 50% of the voting power of the outstanding securities of the Company by one or more other entities, unless the Company’s stockholders of record immediately prior to such acquisition will, immediately after such acquisition, hold at least 50% of the voting power of the Company, provided that a bona fide equity financing that the Board approves does not constitute a Change of Control; or (iii) the sale or disposition by Company of all or substantially all of Company’s assets in a transaction requiring Board approval.

The Warrants are only exercisable to the extent that the holder thereof, together with its affiliates, would beneficially own no more than 4.99% of the outstanding shares of our common stock after giving effect to such exercise (the "Warrant Beneficial Ownership Limitation"). ### **Item 13. Certain Relationships and Related Transactions, and Director Independence.**

Below are transactions since January 1, 2022 to which we have been or are a participant, including currently proposed transactions, in which the amount involved in the transaction exceeds \$120,000 and in which any of our directors, executive officers, or beneficial holders of more than 5% of any class of our capital stock, or any immediate family member of, or person sharing the household with any of these individuals, had or has a direct or indirect material interest.

#### **License Agreement with Senju Pharmaceutical Co., Ltd.**

In 2015, the Company entered into an exclusive license agreement with Senju (the “Senju License Agreement”) whereby the Company agreed to grant to Senju an exclusive, royalty-bearing license for its microdose product candidates for Asia to sublicense, develop, make, have made, manufacture, use, import, market, sell, and otherwise distribute the microdose product candidates. In consideration for the license, Senju agreed to pay to Eyenovia 5% royalties on sales (net of certain manufacturing costs) for the term of the Senju License Agreement, subject to certain adjustments upon the loss of patent coverage for the term of the license agreement. The agreement will continue in full force and effect, on a country-by-country basis, until the latest to occur of: (i) the tenth anniversary of the first commercial sale of such a product candidate in a country; or (ii) the expiration of the licensed patents in a country. As of the date of this filing, there have been no commercial sales of such a product in Asia; therefore, no royalties have been earned. Senju is owned by the family of a former member of the Company’s Board of Directors and, together, they beneficially owned greater than 5% of the Company’s common stock during a portion of the fiscal year ended December 31, 2022.

On April 8, 2020, Eyenovia entered into an amendment (the “Senju License Amendment”) to the Senju License Agreement. Pursuant to the Senju License Amendment, the Company can license to any third party the right to research, develop, commercialize, manufacture or use certain products identified below (the “Senju Licensed Products”) previously licensed to Senju in China (including the People’s Republic of China, Hong Kong, Macao, and Taiwan) and South Korea (the “Territory”) in the agreement executed by the Company on April 8, 2021. The Senju Licensed Products are those using piezo-print technology in a microdose dispenser with (i) atropine sulfate as its sole active ingredient to treat myopia in humans and (ii) pilocarpine as its sole active ingredient to treat presbyopia in humans.

Pursuant to the Senju License Amendment, the Company must pay Senju (a) a percentage in the range of 30 to 40 percent of revenue on any lump-sum payments the Company receives from the third party, revenue (net of costs) obtained by the Company from contract research and/or development of the Senju Licensed Product in the Territory, and revenue (net of costs) obtained by the Company from contract manufacture for the device of the Senju Licensed Product in the Territory, the aggregate of which must be at least a \$9 million minimum payment to Senju; and (b) a percentage in the range of 30 to 40 percent of any sales royalty revenue the Company receives from the third party. Since the Company executed a third-party license prior to April 8, 2021, the License Amendment will remain in effect for the duration of the license, subject to early termination.

The Senju License Agreement was further amended in a Letter Agreement by and between the Company and Senju on August 10, 2020 (the “Letter Agreement”). Pursuant to the Letter Agreement, the Company will pay a percentage in the range of 30 to 40 percent of certain payments, royalties, or net proceeds received from Arctic Vision in connection with the Arctic Vision License Agreement to Senju. The Senju License Agreement was amended further by the License Amendment 2, effective September 14, 2021 (“Amendment 2”). The Amendment 2 excludes Greater China and South Korea from the territory in which Senju was granted an exclusive royalty-bearing license from the Company. In consideration for this exclusion, and upon and after the execution of Amendment 1 with Arctic Vision, the Company must make payments to Senju based on non-royalty license revenue and sales revenue, including the following:

1. a one-time upfront payment of \$250,000, paid on September 17, 2021, which represented an inducement to Senju to approve Amendment 1 of the Arctic Vision License Agreement related to the MicroStat product;

2. a percentage in the range from thirty percent to forty percent of any upfront or milestone lump sum payments, or net revenues received by the Company in connection with any licensed product using piezo-print technology in a microdose dispenser containing: (a) the chemical substance atropine sulfate as its sole active ingredient and that is used for the treatment of myopia in humans; (b) the chemical substance pilocarpine as its sole active ingredient and that is used for the treatment of presbyopia in humans; or (c) the chemical substances phenylephrine and tropicamide in combination as active ingredients that are used for pharmaceutical mydriasis in humans (the “LA2 Licensed Product”) from certain third parties; and
3. a percentage in the range from thirty to forty percent of the amounts received by the Company in connection with sales of the LA2 Licensed Product in China and South Korea by certain third parties.

### **Indemnification Agreements**

Our third amended and restated certificate of incorporation, as amended, and our second amended and restated bylaws provide that we shall indemnify our directors and officers to the fullest extent permitted by law. We also maintain a directors’ and officers’ liability insurance policy. The policy insures directors and officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses us for those losses for which we have lawfully indemnified the directors and officers. The policy contains various exclusions. We have also entered into director indemnification agreements with each of our directors.

### **Employment and Consulting Arrangements**

We have entered into employment and consulting arrangements with our named executive officers that provide for salary and severance compensation. For more information regarding these arrangements and amounts earned pursuant to them, see “*Executive Compensation - Employment and Consulting Arrangements*” and the “*Summary Compensation Table*” above.

### **Equity Issued to Executive Officers and Directors**

We granted options and restricted stock units to our named executive officers and directors in 2023, as more fully described in the sections entitled “*Outstanding Equity Awards as of December 31, 2023*” and “*Director Compensation*”.

### **Agreement with Stuart Grant**

On February 4, 2022, the Company entered into a Settlement Agreement (the “Settlement Agreement”) with Stuart M. Grant, a greater-than-5% stockholder of the Company. Pursuant to the Settlement Agreement, our Board of Directors appointed two new directors, Rachel Jacobson and Stephen Benjamin, to the Board to fill the vacancies on the Board at such time. Ms. Jacobson and Mr. Benjamin were nominated as directors at the 2022 annual meeting of stockholders and elected as directors at such meeting; Mr. Benjamin has since resigned from the Board to take a position at the White House. The Board of Directors has nominated Ms. Jacobson for re-election at the 2024 Annual Meeting. The Settlement Agreement has expired and is no longer in effect.

### **Procedures for Approval of Related-Party Transactions**

The Audit Committee, pursuant to its written charter and our Related Party Transaction Policy, is responsible for reviewing and approving or ratifying any related-party transaction reaching a certain threshold of significance. In the course of its review and approval or ratification of a related-party transaction, the committee, among other things, considers, consistent with Item 404 of Regulation S-K, the following:

- whether the transaction was undertaken in the ordinary course of business;
- whether the transaction was initiated by the Company or the related person;
- whether the terms of the transaction are fair to the Company and on the same basis as would apply if the transaction did not involve the related person;
- whether there are business reasons for the Company to enter into the transaction;
- the approximate dollar value of the transaction, and the significance of that amount, particularly as it relates to the related person;
- whether the transaction would impair the independence of an outside director;
- any pre-existing contractual obligations; and

whether the transaction would present an improper conflict of interest for any director or executive officer of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer, or the related person, the direct or indirect nature of the director's, executive officer's, or the related person's interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee deems relevant.

Any member of the Audit Committee who is a related person with respect to a transaction under review will not be permitted to vote or participate in discussions regarding approval or ratification of the transaction, but must provide all material information regarding the transaction to the Audit Committee.

Future transactions between us and our officers, directors, or 5% stockholders, and respective affiliates will be on terms that the committee determines in good faith to be in the best interests of the Company and its stockholders and will be approved by a majority of our directors who do not have an interest in the transactions and who had access, at our expense, to our legal counsel or independent legal counsel.

To the best of our knowledge, since January 1, 2022, other than as set forth above, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or are to be a party, in which the amount involved exceeds \$120,000, and in which any director or executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of our common stock, or any member of the immediate family of any of the foregoing persons, has an interest (other than compensation to our officers and directors in the ordinary course of business).

### Director Independence

Our Board of Directors has reviewed the composition of our Board of Directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board of Directors has determined that each of our directors, with the exception of Dr. Ianchulev and Mr. Rowe, is an "independent director" as defined under Rule 5606(a)(2) of the Nasdaq Listing Rules. Our Board of Directors determined that Drs. Strahlman and Palanki, Messrs. Geltzeiler and Mather, and Ms. Jacobson satisfy the applicable independence standards established by the SEC and the Nasdaq Listing Rules. In making such determinations, our Board of Directors considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.
