## **Explanatory Note**

Eyenovia, Inc. (the “Company,” “Eyenovia,” “we,” “us” and “our”) is filing this Amendment No. 1 on Form 10-K/A (this “Form 10-K/A”) to amend the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (the “2022 10-K”), which was originally filed with the Securities and Exchange Commission (the “SEC”) on March 31, 2023, to include the information required by Items 10 through 14 of Part III of the 2022 10-K. This information was previously omitted from the 2022 10-K in reliance on General Instruction G(3) to Form 10-K, which permits the information in the above referenced items to be incorporated in the Form 10-K by reference from the Company’s definitive proxy statement if such statement is filed no later than 120 days after the Company’s fiscal year-end. This Form 10-K/A amends and restates in its entirety Items 10, 11, 12, 13 and 14 of Part III of the 2022 10-K. The cover page of the 2022 10-K is also amended to (i) update the number of outstanding shares of common stock as of April 27, 2023, and (ii) delete the reference to the incorporation by reference of the Company’s definitive proxy statement.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), this Form 10-K/A amends Item 15 of Part IV of the 2022 10-K solely to update the exhibit list to include (i) new certifications by our principal executive officer and principal financial officer under Section 302 of the Sarbanes-Oxley Act of 2002 and (ii) the Company’s form of restricted stock unit agreement, as adopted for use under the Company’s Amended and Restated 2018 Omnibus Stock Incentive Plan, as amended, which had inadvertently not been filed previously, as Exhibit 10.34 hereto. Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4, and 5 of these certifications have been omitted. Similarly, because no financial statements have been included in this Amendment, certifications pursuant to Section 906 of the Sarbanes-Oxley Act of 2002 have been omitted.

Except as described above, no other changes have been made to the 2022 10-K, and this Form 10-K/A does not modify, amend or update in any way any of the financial or other information contained in the 2022 10-K. This Form 10-K/A does not reflect events occurring after the date of the filing of the 2022 10-K, nor does it amend, modify or otherwise update any other information in the 2022 10-K. Accordingly, this Form 10-K/A should be read in conjunction with the 2022 10-K and with the Company’s filings with the SEC subsequent to the filing of the 2022 10-K.

## **Emerging Growth Company—Scaled Disclosure**

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), enacted in April 2012. We intend to take advantage of certain exemptions under the JOBS Act from various public company reporting requirements, including not being required to have our internal control over financial reporting audited by our independent registered public accounting firm pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, reduced disclosure obligations regarding executive compensation and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and any golden parachute payments not previously approved. We will remain an emerging growth company until the earliest of the last day of the fiscal year in which we have total annual gross revenues of approximately \$1.07 billion or more; the last day of the fiscal year following the fifth anniversary of the date of the completion of the closing of our IPO, which is December 31, 2023; the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

## Item 11. Executive Compensation.

This Item 11 discusses material components of our executive compensation program for the following individuals, each of whom is one of our “named executive officers” for 2022: Michael Rowe (our Chief Executive Officer), John P. Gandolfo (our Chief Financial Officer), and Tsoncho Ianchulev (our former Chief Executive Officer).

As an emerging growth company, we have opted to comply with the executive compensation disclosure rules applicable to “smaller reporting companies”, as such term is defined in the rules promulgated under the Securities Act of 1933, as amended.

### Key Elements of Our Compensation Program for 2022

In 2022, we compensated our named executive officers through a combination of base salary and long-term equity incentives in the form of options. Our named executive officers are also eligible for our standard benefits programs, which include group health insurance and vacation programs.

We do not use specific formulas or weightings in determining the allocation of the various compensation elements. Instead, the compensation for our named executive officers has been designed to provide a combination of fixed and at-risk compensation that is tied to the achievement of our short- and long-term objectives. We believe that this approach achieves the primary objectives of our compensation program.

We are continually evaluating various compensation programs to implement as our business evolves. The disclosures below describe our historical compensation practices.

The following table sets forth information regarding compensation awarded to, earned by or paid to our named executive officers for fiscal years ended December 31, 2022 and 2021. The Company does not have any non-equity incentive plans or awards.

#### ***Termination of Employment Agreements***

The Rowe Employment Agreement discussed above provides the following upon termination of Mr. Rowe's employment:

*Termination by Company for Cause; by Company without Cause or by Executive without Good Reason within Executive's First Six (6) Months of Employment; or as a Result of Executive's Disability or Death.* If Mr. Rowe's employment hereunder is terminated by us for Cause (as defined in the Rowe Employment Agreement), by us without Cause within Mr. Rowe's first six (6) months of employment, by Mr. Rowe without Good Reason (as defined in the Rowe Employment Agreement), or as a result of Mr. Rowe's Disability (as defined in the Rowe Employment Agreement) or death, then we must pay the portion of Mr. Rowe's base salary that has accrued prior to such termination and has not yet been paid, any bonus previously earned by Mr. Rowe but not yet paid, any accrued and unused vacation or sick leave, and the amount of any expenses properly incurred by Mr. Rowe prior to any such termination and not yet reimbursed (collectively, the "Accrued Obligations") promptly following the effective date of such termination, subject to certain exceptions.

*Termination by Company without Cause or by Executive for Good Reason Following Executive's First Six (6) Months of Employment.* In the event that Mr. Rowe's employment is terminated by us other than for Cause, Disability or death at any time after Mr. Rowe's first six (6) months of employment as CEO, then, in addition to the Accrued Obligations, Executive shall receive the following, subject to certain terms and conditions:

- *Severance Payment.* Payment in an amount equal to Mr. Rowe's base salary for a twelve (12) month period, less customary and required taxes and employment-related deductions, paid in one lump sum amount.
- *Benefits.* health insurance coverage at no cost to Mr. Rowe, until the earlier to occur of twelve (12) months following the termination date or the date Mr. Rowe elects to participate in the group health plan of another employer.

The Gandolfo Employment Agreement discussed above provides that if the executive's employment is terminated by the Company without "Cause" (as defined in the 2018 Plan) or the executive suffers an "Involuntarily Termination" (as defined in the Employment Agreement) provided that the executive has signed a full release of all claims, the executive will be entitled to receive: (i) severance pay equal to twelve months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for the executive and his spouse and dependents for a period of twelve months or until the executive becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, "Cause" means, with respect to the termination by the Company or a Related Entity of a Grantee's Continuous Service: (i) that such termination is for "Cause" as such term (or word of like import) is expressly defined in a then-effective written employment agreement, consulting agreement, service agreement or other similar agreement between the Grantee and the Company or such Related Entity, provided, however, that with regard to any agreement that defines "Cause" on the occurrence of or in connection with a Corporate Transaction, such definition of "Cause" shall not apply until a Corporate Transaction actually occurs; or (ii) in the absence of such then-effective written agreement and definition, is based on, in the determination of the Administrator: (A) the Grantee's performance of any act, or failure to perform any act, in bad faith and to the detriment of the Company or a Related Entity; (B) the Grantee's dishonesty, intentional misconduct or material breach of any agreement with the Company or a Related Entity; (C) the Grantee's material breach of any noncompetition, confidentiality or similar agreement with the Company or a Related Entity, as determined under such agreement; (D) the Grantee's commission of a crime involving dishonesty, breach of trust, or physical or emotional harm to any person; (E) if the Grantee is an Employee or Consultant, the Grantee's engaging in acts or omissions constituting gross negligence, misconduct or a willful violation of a Company or a Related Entity policy which is or is reasonably expected to be materially injurious to the Company and/or a Related Entity; or (F) if the Grantee is an Employee, the Grantee's failure to follow the reasonable instructions of the Board or such Grantee's direct supervisor, which failure, if curable, is not cured within 10 days after notice to such Grantee or, if cured, recurs within 180 days.

As defined in the Gandolfo Employment Agreement, "Involuntary Termination" means the occurrence of any of the following without the written consent of Executive: (i) a material diminution in Executive's Base Salary, Bonus target or benefits (other than a material diminution that is applicable to all similarly situated employees and executives of the Company in connection with an across-the-board cost savings strategy); (ii) a material diminution in Executive's authority, duties or responsibilities; (iii) a material diminution in the level of Executive's reporting structure, including a requirement that Executive report to a corporate officer or employee instead of reporting directly to the CEO; or (iv) any other action or inaction that constitutes a material breach by the Company of this Agreement.

#### ***Change in Control Provision of Employment Agreements***

Each of the Employment Agreements discussed above also provides that if within 12 months following any "Corporate Transaction" (as defined in the 2018 Plan) of the Company, the executive's employment is terminated by the Company without Cause or the executive suffers an Involuntary Termination, provided that the executive has signed a full release of all claims, the executive will be entitled to receive, in lieu of what is described in the above paragraph: (i) severance pay equal to 12 months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for the executive and his spouse and dependents for a period of 12 months or until the executive becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, a “Corporate Transaction” means any of the following transactions, provided, however, that the Administrator shall determine under parts (iv) and (v) whether multiple transactions are related, and its determination shall be final, binding and conclusive: (i) a merger or consolidation in which the Company is not the surviving entity, except for a transaction the principal purpose of which is to change the state in which the Company is incorporated; (ii) the sale, transfer or other disposition of all or substantially all of the assets of the Company; (iii) the complete liquidation or dissolution of the Company; (iv) any reverse merger or series of related transactions culminating in a reverse merger (including, but not limited to, a tender offer followed by a reverse merger) in which the Company is the surviving entity but (A) the Shares outstanding immediately prior to such merger are converted or exchanged by virtue of the merger into other property, whether in the form of securities, cash or otherwise, or (B) in which securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities are transferred to a person or persons different from those who held such securities immediately prior to such merger or the initial transaction culminating in such merger; or (v) acquisition in a single or series of related transactions by any person or related group of persons (other than the Company or by a Company-sponsored employee benefit plan) of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities.

### **Item 13. Certain Relationships and Related Transactions, and Director Independence.**

Below are transactions since January 1, 2021 to which we have been or are a participant, including currently proposed transactions, in which the amount involved in the transaction exceeds \$120,000 and in which any of our directors, executive officers, or beneficial holders of more than 5% of any class of our capital stock, or any immediate family member of, or person sharing the household with any of these individuals, had or has a direct or indirect material interest.

#### **License Agreement with Senju Pharmaceutical Co., Ltd.**

During 2015, the Company entered into an exclusive license agreement with Senju (the “Senju License Agreement”) whereby the Company agreed to grant to Senju an exclusive, royalty-bearing license for its microdose product candidates for Asia to sublicense, develop, make, have made, manufacture, use, import, market, sell, and otherwise distribute the microdose product candidates. In consideration for the license, Senju agreed to pay to Eyenovia five percent (5%) royalties on sales (net of certain manufacturing costs) for the term of the Senju License Agreement, subject to certain adjustments upon the loss of patent coverage for the term of the license agreement. The agreement will continue in full force and effect, on a country-by-country basis, until the latest to occur of: (i) the tenth (10th) anniversary of the first commercial sale of such a product candidate in a country; or (ii) the expiration of the licensed patents in a country. As of the date of this filing, there have been no commercial sales of such a product in Asia; therefore, no royalties have been earned. Senju is owned by the family of a former member of the Company’s Board of Directors and, together, they beneficially owned greater than 5% of the Company’s common stock during a portion of each of the fiscal years ended December 31, 2022 and December 31, 2021.

On April 8, 2020, Eyenovia entered into an amendment (the “Senju License Amendment”) to the Senju License Agreement. Pursuant to the Senju License Amendment, the Company can license to any third party the right to research, develop, commercialize, manufacture or use certain products identified below (the “Senju Licensed Products”) previously licensed to Senju in China (including the People’s Republic of China, Hong Kong, Macao, and Taiwan) and South Korea (the “Territory”) in the agreement executed by the Company on April 8, 2021. The Senju Licensed Products are those using piezo-print technology in a microdose dispenser with (i) atropine sulfate as its sole active ingredient to treat myopia in humans and (ii) pilocarpine as its sole active ingredient to treat presbyopia in humans.

Pursuant to the Senju License Amendment, the Company must pay Senju (a) a percentage in the range of 30 to 40 percent of revenue on any lump-sum payments the Company receives from the third party, revenue (net of costs) obtained by the Company from contract research and/or development of the Senju Licensed Product in the Territory, and revenue (net of costs) obtained by the Company from contract manufacture for the device of the Senju Licensed Product in the Territory, the aggregate of which must be at least a \$9 million minimum payment to Senju; and (b) a percentage in the range of 30 to 40 percent of any sales royalty revenue the Company receives from the third party. Since the Company executed a third-party license prior to April 8, 2021, the License Amendment will remain in effect for the duration of the license, subject to early termination.

The Senju License Agreement was further amended in a Letter Agreement by and between the Company and Senju on August 10, 2020 (the “Letter Agreement”). Pursuant to the Letter Agreement, the Company will pay a percentage in the range of 30 to 40 percent of certain payments, royalties, or net proceeds received from Arctic Vision in connection with the Arctic Vision License Agreement to Senju. The Senju License Agreement was amended further by the License Amendment 2, effective September 14, 2021 (the “Amendment 2”). The Amendment 2 excludes Greater China and South Korea from the territory in which Senju was granted an exclusive royalty-bearing license from the Company. In consideration for this exclusion, and upon and after the execution of Amendment 1 with Arctic Vision, the Company must make payments to Senju based on non-royalty license revenue and sales revenue, including the following:

1. a one-time upfront payment of \$250,000, paid on September 17, 2021, which represented an inducement to Senju to approve Amendment 1 of the Arctic Vision License Agreement related to the MicroStat product;

2. a percentage in the range from thirty percent to forty percent of any upfront or milestone lump sum payments, or net revenues received by the Company in connection with any licensed product using piezo-print technology in a microdose dispenser containing: (a) the chemical substance atropine sulfate as its sole active ingredient and that is used for the treatment of myopia in humans; (b) the chemical substance pilocarpine as its sole active ingredient and that is used for the treatment of presbyopia in humans; or (c) the chemical substances phenylephrine and tropicamide in combination as active ingredients that are used for pharmaceutical mydriasis in humans (the “LA2 Licensed Product”) from certain third parties; and
3. a percentage in the range from thirty to forty percent of the amounts received by the Company in connection with sales of the LA2 Licensed Product in China and South Korea by certain third parties.

### **Indemnification Agreements**

Our third amended and restated certificate of incorporation and our amended and restated bylaws provide that we shall indemnify our directors and officers to the fullest extent permitted by law. We also maintain a directors’ and officers’ liability insurance policy. The policy insures directors and officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses us for those losses for which we have lawfully indemnified the directors and officers. The policy contains various exclusions. We have also entered into director indemnification agreements with each of our directors.

### **Employment and Consulting Arrangements**

We have entered into employment and consulting arrangements with our named executive officers that provide for salary and severance compensation. For more information regarding these arrangements and amounts earned pursuant to them, see “*Executive Compensation - Employment and Consulting Arrangements*” and the “*Summary Compensation Table*” above.

### **Equity Issued to Executive Officers and Directors**

We granted options and restricted stock units to our named executive officers and directors in 2022, as more fully described in the sections entitled “*Outstanding Equity Awards as of December 31, 2022*” table and “*Director Compensation*”.

### **Agreement with Stuart Grant**

On February 4, 2022, the Company entered into a Settlement Agreement (the “Settlement Agreement”) with Stuart M. Grant, a greater-than-5% shareholder of the Company. Pursuant to the Settlement Agreement, our Board of Directors appointed two new directors, Rachel Jacobson and Stephen Benjamin, to the Board to fill the vacancies on the Board at such time. Ms. Jacobson and Mr. Benjamin were nominated as directors at the 2022 annual meeting of stockholders and elected as directors at such meeting; Mr. Benjamin has since resigned from the Board to take a position at the White House. The Board of Directors has nominated Ms. Jacobson for re-election at the upcoming 2023 annual meeting of stockholders. In addition, the Settlement Agreement provides that a third new director shall be mutually agreed-upon by the Company and Mr. Grant.

### **Procedures for Approval of Related-Party Transactions**

The Audit Committee, pursuant to its written charter and our Related Party Transaction Policy, is responsible for reviewing and approving or ratifying any related-party transaction reaching a certain threshold of significance. In the course of its review and approval or ratification of a related-party transaction, the committee, among other things, considers, consistent with Item 404 of Regulation S-K, the following:

- whether the transaction was undertaken in the ordinary course of business;
- whether the transaction was initiated by the Company or the related person;
- whether the terms of the transaction are fair to the Company and on the same basis as would apply if the transaction did not involve the related person;
- whether there are business reasons for the Company to enter into the transaction;
- the approximate dollar value of the transaction, and the significance of that amount, particularly as it relates to the related person;
- whether the transaction would impair the independence of an outside director;
- any pre-existing contractual obligations; and

whether the transaction would present an improper conflict of interest for any director or executive officer of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer, or the related person, the direct or indirect nature of the director's, executive officer's, or the related person's interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee deems relevant.

Any member of the Audit Committee who is a related person with respect to a transaction under review will not be permitted to vote or participate in discussions regarding approval or ratification of the transaction, but must provide all material information regarding the transaction to the Audit Committee.

Future transactions between us and our officers, directors, or 5% stockholders, and respective affiliates will be on terms that the committee determines in good faith to be in the best interests of the Company and its stockholders and will be approved by a majority of our directors who do not have an interest in the transactions and who had access, at our expense, to our legal counsel or independent legal counsel.

To the best of our knowledge, since January 1, 2021, other than as set forth above, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or are to be a party, in which the amount involved exceeds \$120,000, and in which any director or executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of our common stock, or any member of the immediate family of any of the foregoing persons, has an interest (other than compensation to our officers and directors in the ordinary course of business).

### Director Independence

Our Board of Directors has reviewed the composition of our Board of Directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board of Directors has determined that each of our directors, with the exception of Dr. Ianchulev and Mr. Rowe, is an "independent director" as defined under Rule 5606(a)(2) of the Nasdaq Listing Rules. Our Board of Directors determined that Drs. Strahlman and Palanki, and Mr. Mather and Ms. Jacobson satisfy the applicable independence standards established by the SEC and the Nasdaq Listing Rules. In making such determinations, our Board of Directors considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

EYENOVIA, INC.  
AMENDED AND RESTATED  
2018 OMNIBUS STOCK INCENTIVE PLAN

**RESTRICTED STOCK UNIT AWARD AGREEMENT**

This Restricted Stock Unit Award Agreement (this “**Agreement**”) is made and entered into between Eyenovia, Inc. (the “**Company**”) and \_\_\_\_\_ (“**Grantee**”), effective as of [\_\_\_\_\_] (the “**Date of Grant**”). This Agreement sets forth the terms and conditions associated with the Company’s award to Grantee of Restricted Stock Units payable as described below in shares of Common Stock of the Company pursuant to the Company’s Amended and Restated 2018 Omnibus Stock Incentive Plan, as amended (the “**Plan**”) for the number of Units set forth below (collectively, the “**Award**”). Capitalized terms used herein which are not explicitly defined herein will have the meaning and definition ascribed to them under the Plan.

NOW, THEREFORE, in consideration of the foregoing and Grantee’s continued provision of valuable services to the Company, it is agreed by and between the parties as follows:

- 1. Grant of Units.** Effective as of the Date of Grant, the Company grants the Grantee [\_\_\_\_\_] Restricted Stock Units (the “**Units**”). The Units are subject to the vesting, payment, and other provisions of this Agreement and the Plan. Each Unit is subject to settlement into one (1) share of Common Stock of the Company (a “**Share**”) that will be delivered to the Grantee when and if such Unit becomes vested subject to the terms of this Agreement. The Company will account for the Units in a bookkeeping account on the Grantee’s behalf until they become deliverable or are forfeited.
- 2. Vesting; Forfeiture.** The Units are unvested when granted, and will vest as follows: the Units vest on the earlier of (a) [\_\_\_\_\_] or (b) the Company’s [\_\_\_\_\_] annual meeting of stockholders, in either case subject to the Grantee’s Continuous Service on the Company’s Board of Directors through the applicable vesting date. Notwithstanding the foregoing, to the extent not previously forfeited, vesting of the Units will be accelerated such that the Units will vest in full immediately upon the closing of a Corporate Transaction, provided that Grantee provides Continuous Service to the Company through the date such Corporate Transaction is closed. All Units that are not vested upon the termination of Grantee’s Continuous Service will be immediately forfeited.
- 3. Delayed Delivery of Shares to Settle Vested Units.** Units vested as provided in Section 2 will be settled by delivering to Grantee a number of Shares equal to the number of vested Units on the Payment Date (as hereafter defined). As soon as practicable after the Payment Date, the Company will, at its election, either: (a) issue a certificate representing the Shares deliverable pursuant to this Agreement; or (b) not issue any certificate representing the Shares deliverable pursuant to this Agreement and instead document the Grantee’s interest in the Shares by registering such Shares with the Company’s transfer agent (or another custodian selected by the Company) in book-entry form in the Grantee’s name. For purposes of this Agreement, the “**Payment Date**” will be the earlier of (x) the date on which the Grantee’s Continuous Service ends, or (y) the closing of a Corporate Transaction, in each case subject to the provisions of Section 10 of this Agreement. Notwithstanding the above, the Company may settle Units upon the closing of a Corporate Transaction by delivering other consideration to the Grantee, including but not limited to shares of the capital stock of the acquirer or surviving entity of such Corporate Transaction (or such entity’s affiliates), such consideration having a fair market value equal in the aggregate to the value of the Shares for which the Unit is being settled. In any case, the Company may provide a reasonable delay in the issuance or delivery of the Shares to address tax withholding and other administrative matters.

4. **Capitalization Changes.** The number of Units convertible to Shares subject to this Award may be adjusted from time to time by the Administrator to account for changes in capitalization as described in Section 13 of the Plan.

5. **Rights as a Stockholder.** The Units represent a right to payment from the Company if the conditions of the Agreement are met and do not give the Grantee ownership of any Common Stock prior to delivery as provided in Section 3. Grantee shall not have any rights and/or privileges of a stockholder of the Company with respect to the Units prior to such delivery. If Grantee becomes vested in Units as provided in Section 2, any Shares to which Grantee becomes entitled shall be delivered to Grantee as provided in Section 3, and Grantee shall have full ownership of the Shares upon such delivery.

6. **Non-Transferability of the Award.** The Units and the right to payment under this Agreement are not transferable, may not be sold, exchanged, transferred, pledged, hypothecated, encumbered or otherwise disposed of except as provided in the Plan. Any purported transfer of the Units or the right to payment under this Agreement is null and void and will not be given effect.

7. **Award Not A Service Contract.** Neither the Award nor this Agreement is an employment or service contract, and nothing this Agreement confers or will be construed as conferring upon the Grantee any right to continue in the employment or service of the Company, or as interfering with or restricting in any way the right of either party to terminate such employment or service at any time.

8. **Tax Consequences.** Grantee acknowledges that he/she understands the federal, state, and local tax consequences of the Award and the issuance, vesting, forfeiture, and delivery provisions hereof relating to the Units. Grantee will rely solely on the advice of his/her own tax advisors and not on any statements or representations of the Company or any of its agents. Grantee understands that Grantee (and not the Company) shall be responsible for his/her own tax liability that may arise as a result of the Award or the transactions contemplated by this Agreement. The Company has no duty or obligation to minimize the tax consequences associated with this Award to the Grantee and will not be liable to the Grantee for any adverse tax consequences arising in connection with this Award.

**9. Withholding Obligations.** Grantee understands that, at the time that Grantee becomes vested and/or receives payment for any Units (including through the delivery of Shares), the Company may be required to withhold federal, state and local income and employment taxes. At the time of vesting, or at or before the time Grantee receives a distribution of the Shares underlying the Units or other consideration, or at any time thereafter as requested by the Company, Grantee hereby authorizes the Company to satisfy any required withholding to satisfy federal, state, local, payroll, and foreign tax withholding obligations of the Company or any Affiliate that arise in connection with the Units (the “**Withholding Taxes**”). Notwithstanding any other provision of this Section, the Company may, in its sole discretion, satisfy all or any portion of the Withholding Taxes obligation relating to the Units by any of the following means or by a combination of such means: (a) withholding from any compensation otherwise payable to the Grantee by the Company; (b) causing the Grantee to tender a cash payment; or (c) withholding Shares from the Shares issued or otherwise issuable to Grantee in connection with the Units with a Fair Market Value (measured as of the date the Withholding Taxes are to be determined) equal to the amount of such Withholding Taxes; *provided, however*, that the number of such Shares so withheld shall not exceed the amount necessary to satisfy the Company’s required tax withholding obligations using the minimum statutory withholding rates for federal, state, local and foreign tax purposes, including payroll taxes, that are applicable to supplemental taxable income (or such lesser amount as may be necessary to avoid classification of the Units as a liability for financial accounting purposes). Grantee understands that all matters with respect to the total amount of taxes to be withheld in respect of such compensation income will be determined by the Administrator in its reasonable discretion. Grantee further understands that, although the Company may pay withheld amounts to the applicable taxing authorities, the Grantee is responsible for payment of all taxes due as a result of compensation arising under the Agreement.

**10. Application of Section 409A of the Code.**

**(a)** The parties intend that the delivery of Shares or other consideration in respect of the Units provided under this Agreement will be exempt from, or comply with, the provisions of Section 409A, and this Agreement will be construed, to the greatest extent possible, in a manner that complies with Section 409A and is consistent with the requirements for avoiding taxes or penalties under Section 409A.

**(b)** The parties further intend that each installment of any payments provided for in this Agreement is a separate “payment” for purposes of Section 409A.

**(c)** To the extent any payment hereunder due upon the occurrence of a Corporate Transaction is deferred compensation that is subject to Section 409A, and is not otherwise exempt from complying with the provisions of Section 409A, then a Corporate Transaction shall only be deemed to occur if the Corporate Transaction also qualifies as a “change in control event” with respect to the Company within the meaning of Treasury Regulation Section 1.409A-3(i)(5).

**(d)** To the extent any payment hereunder due upon the termination of the Grantee’s Continuous Service is deferred compensation that is subject to Section 409A, and is not otherwise exempt from complying with the provisions of Section 409A, then such payment will not be made unless and until Grantee has also incurred a “separation from service” (as such term is defined in Treasury Regulation Section 1.409A-1(h)).

(e) To the extent that (i) one or more of the payments received or to be received by the Grantee pursuant to this Agreement would constitute deferred compensation subject to the requirements of Section 409A, and (ii) the Grantee is a “specified employee” within the meaning of Section 409A, then solely to the extent necessary to avoid the imposition of any additional taxes or penalties under Section 409A, the commencement of any payments under this Agreement will be deferred until the date that is six months and one day following the Grantee’s termination of Continuous Service (or, if earlier, the date of death of the Grantee) and will instead be paid on the date that immediately follows the end of such period (or death) or as soon as administratively practicable within thirty (30) days thereafter.

(f) The Company makes no representations to Grantee regarding the compliance of this Agreement or the Units with Section 409A, and Grantee is solely responsible for the payment of any taxes or penalties arising under Section 409A(a)(1), or any state law of similar effect, with respect to the grant or vesting of the Units or the delivery of the Shares subject to this Award.

11. **Notices.** Any notice or request required or permitted hereunder shall be given in writing to each of the other parties hereto and shall be deemed effectively given on the earlier of (a) the date of personal delivery, or (b) three days after the date of deposit in the United States Mail by registered or certified mail, postage prepaid, return receipt requested, addressed in the case of the Company to the Company’s Chief Executive Officer at the Company’s primary business address and in the case of the Grantee to the most recent address shown in the Company’s records.

12. **Incorporation of the Plan; Entire Agreement; Modification.** The Award is subject to all the provisions of the Plan, the provisions of which are hereby made a part of this Agreement, and is further subject to all interpretations, amendments, rules and regulations which may from time to time be promulgated and adopted pursuant to the Plan. In the event of any conflict between the provisions of this Agreement and those of the Plan, the provisions of the Plan shall control. This Agreement (including the Plan) sets forth all of the promises, agreements, conditions and understandings between the parties hereto with respect to the Award, and there are no promises, agreements, conditions, understandings, warranties or representations, oral or written, express or implied, between them with respect to the Award other than as set forth therein or herein. This Agreement supersedes and replaces any and all prior agreements between the parties hereto with respect to Restricted Stock Units granted under this Award. Except as provided by the Plan, no modification, amendment or waiver of any of the provisions of this Agreement will be effective unless approved in writing by both parties.

13. **Choice of Law.** The interpretation, performance and enforcement of this Agreement shall be governed by the law of the state of Delaware without regard to the conflicts of laws rules of any jurisdiction.

14. **Miscellaneous.**

(a) The headings of the Sections in this Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Agreement or to affect the meaning of this Agreement.

**(b)** If all or any part of this Agreement or the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any portion of this Agreement or the Plan not declared to be unlawful or invalid. Any Section of this Agreement (or part of such a Section) so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

**(c)** This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, administrators, successors and assigns. The rights and obligations of the Company under this Agreement shall be transferable by the Company to any one or more persons or entities, and all covenants and agreements hereunder shall inure to the benefit of, and be enforceable by, the Company's successors and assigns.

**(d)** The waiver by either party of compliance with any provision of this Agreement by the other party will not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by such party of a provision of this Agreement.

**(e)** Grantee agrees upon request to execute any further documents or instruments necessary or desirable in the sole determination of the Company to carry out the purposes or intent of the Award.

**(f)** Grantee acknowledges and agrees that he/she (i) has reviewed this Agreement and the Plan in their entirety; (ii) fully understands the provisions of each such document; and (iii) has had an opportunity to obtain the advice of counsel prior to executing and accepting the Award. Grantee further acknowledges receipt or the right to receive a document providing the information required by Rule 428(b)(1) promulgated under the Securities Act.

**(g)** This Agreement shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

**(h)** All obligations of the Company under the Plan and this Agreement shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

**(i)** This Agreement may be executed in one or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same agreement. Facsimile or PDF reproductions of original signatures will be deemed binding for the purpose of the execution of this Agreement.
